. . . FOREWORD . . .

THE STAFF OF THE RINDGE BROWNIE has labored for many long hours in an effort to place between these covers an accurate record of the doings of the Class of 1936. We hope we have not failed. We hope that in years to come this book will become as a valuable painting-time enhancing its value.

MR. JOHN W. WOOD

... DEDICATION ...

HEADMASTER OF RINDGE

whose live interest in all our scholastic and social activities has supplied untold inspiration and encouragement, whose sincerety has won our unending friendship, whose opinion we have placed high in our category of values, whose respect we honestly wish to deserve—to Mr. John W. Wood—who has so freely given so much of his time and ability in our interest, we the Senior Class respectfully dedicate "The Brownie" of 1936.

MR. JAMES F. CONLIN

THE CLASS OF THIRTY SIX found that the outward sternness of Mr. Conlin had a counterpart in the inner friendliness and thoughtful outlook for the boy's future,

All that he demands of the student is co-operation, a respect for the school, its teachers, and its traditions.

Mr. Conlin has been with Rindge for 31 years, during which he has served about 21 years as an instructor of French and Spanish. Through all these years he has been an indispensable factor in the running of this school. May Rindge have your valuable services for many years to come.

MR. FRANCIS T. McCABE

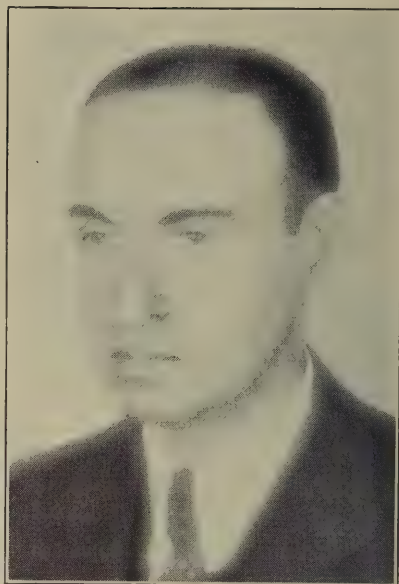

*D*URING OUR EARLY DAYS AT RINDGE, when we were housed at the Harvard Grammar School we came in close contact with a man who aided us greatly in adjusting ourselves to the make-shift conditions that existed at that time. He proved to be a kind, friendly, humane gentleman. Without his assistance our early days at Rindge would have been very trying ones indeed. Hence we the Seniors Class of 1936 wish to express at this time our deep appreciation for the many kindnesses bestowed on our class by Mr. Francis T. McCabe.

MR. JOHN J. GARVEY

*W*E OF RINDGE TECH. SCHOOL are fortunate in having Mr. Garvey at the head of our English Department. His whole-hearted assistance and smiling geniality endears him to all that know him. At first, his manners may seem stern and difficult but his pleasant humor soon wins the hearts of his pupils. His job is difficult and sometimes distasteful but he always comes through with a smile and a good word for all.

We could not ask for a better person to lead us in the study of our own language. The Class of 1936 is grateful to him and wishes him much happiness in the future,

MR. CHARLES A. LINEHAN

*M*R. LINEHAN IN ADDITION TO BEING A TEACHER, is also a friend of the pupils. He explains the subject he teaches in an excellent manner. He also makes pleasant the most arduous and unpleasant task. In addition to possessing a rare teaching ability, he is a Rindge graduate and thus is interested in all activities and functions that occur at Rindge.

Mr. Linehan may we assure you that we the class of '36 value your friendship and as years pass on we will never forget you.

MR. EDWARD A. SULLIVAN

MR. SULLIVAN, THE HEAD OF OUR ORAL-ENGLISH DEPARTMENT, is one of the most beloved teachers in all of our little domain. Our great dramatic coach untiringly lends us his efforts and is very willing to give much of his leisure time for the sole purpose of helping us make our various dramatic ventures successful. When Mr Sullivan's aid is requested, he never refuses but unflinchingly gives all the help he possibly can. The entire school is grateful to him and is proud of the fact that it has such a fine man for a member of its faculty.

We, as members of the graduating class of 1936, know that Mr. Sullivan will be as well beloved by other classes as by our own and whole-heartedly wish him the best of luck in years to come.

MR. HENRY C.
LYNCH

WE, WHO ARE LEAVING RINDGE, wish to express our regrets at losing our close contacts with Mr. Lynch. Many of us have had him in German or French, which departments he heads. Under his able direction and guidance we have mastered the particular language we happened to select.

We the class of '36 sincerely wish Mr. Lynch continued success in all his undertakings and hope that "lady luck" may smile most pleasantly upon him.

MR. JOHN Y. MURRAY

BY HIS EXEMPLARY TEACHING and his conscientious interests in the seniors of Rindge. Mr. John Y. Murry has won the undying gratitude of the class of '36.

May Mr. Murray spend many more brilliant years of prolonged teaching at Rindge in order that he may give the future students of Rindge the benefits and advantages we have attained by his patience and ability in explaining the difficult field of electricity.

With the very deepest regret the class of '36 bids Mr. John Y. Murry farewell.

... RINDGE SENIOR TEACHERS ...

ALTHOUGH AS WE GRADUATE we cannot think of a single teacher with whom we came in contact with that does not deserve our heartfelt appreciation but as our space is necessarily limited we have chosen those whom we met in our senior year.

MR. BURKE: How pleasant were the hours we spent with this man despite the fact he was trying to cram those terrible mathematical problems into heads that were not easily dented.

MR. COYNE: A man to whom time spent and energy used meant nothing if he believed we appreciated it and we gained some benefit from his efforts.

MR. D'ARCY: This comparatively young man carries on his shoulders a head that calls from many more years of life than he has lived. A brilliant teacher that means much to the success of Rindge boys in their further education.

MR. DeMELLO: Being an expert in mechanical drawing this man made the subject seem so easy that we really enjoyed his classes.

MR. GOEPPER: Jovial, kind and yet a real expert in the art of making those under him work hard and enjoy doing it.

MR. HAHN: One of the reasons the Aero course is going in leaps and bounds is this man whom we enjoyed meeting.

MR. KILLIAN: This young man is the very life of the Aero course.

MR. W. KELLEHER: Although he was stern in appearance his words of wisdom carried us on to success.

MR. LADD: His interest in chemistry and the welfare of all the boys in general moved many of the boys that would have failed.

MR. MARSHALL: He made his subject so interesting that the boys thought electricity was the key to success.

... RINDGE SENIOR TEACHERS ...

MR. McDONALD : His knowledge of the automobile he imparted to us in a very efficient manner.

MR. McKENNA How enjoyable he made his classroom.

MR. W. McLAUGHLIN : His interest and friendship was shown both in the classroom and on the diamond.

MR. MOORE : He pointed out our faults and showed us how to correct them.

MR. MORASH : Many happy hours we spent under the tutelage of this man in his Radio class.

MR. NISSEN : Although small in stature he was a giant in knowledge of his subject.

MR. PAINE : Working with this man was a pleasure.

MR. PREBLE : His knowledge of machines was used to make experts out of his pupils.

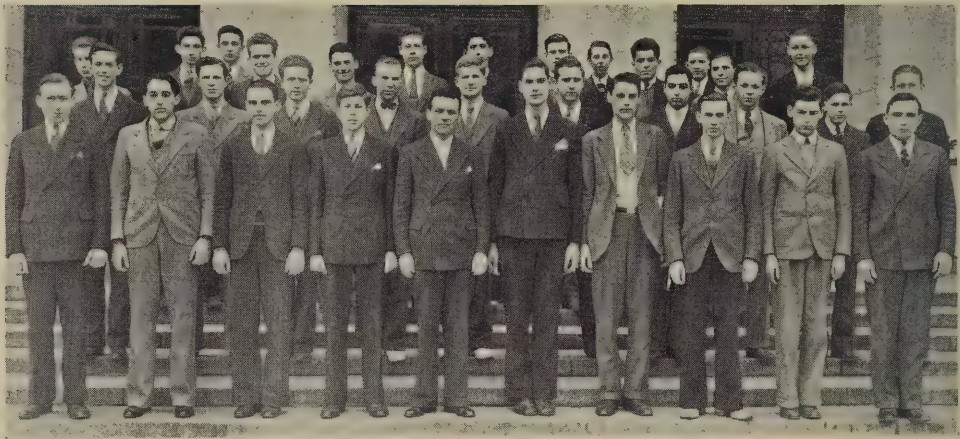

MR. SCOTT : His untiring efforts and help are sure to reap results.

MR. WISEMAN : A sincere teacher who was ever ready to assist. We will miss him.

CUT IN LINOLEUM BY CASIMER C. STERPINSKY

... PROLOGUE ...

AS WE BEGIN THIS VOLUME to compile we tell of another year that is past. The memories of the school year are pleasing to us, yet the further we stray from our school the more vivid will these memories become. So with our volume it is dear to us now—dear to us who have worked on it, dear to those for whom we have produced it, but it will be dearer still as the years pass by for it stores the memories of the happy days spent at Rindge.

CUT IN LINOLEUM BY A. J. PETTITO

1936 SENIORS

Life is a race that we all must run.
Highly esteemed is the goal well won.
The hurdle of school is well nigh past;
Now we depart on our way at last.

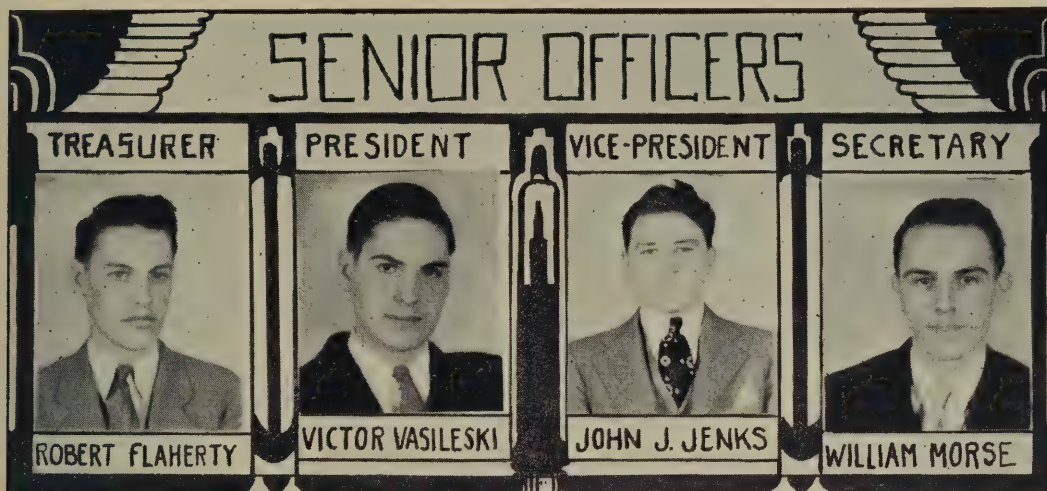

Here in this world let us manfully strive.
Keeping old Rindge in our hearts alive;
Never forgetting the friends we have made;
Never defaming our foundation well laid.

Hard is the way that leads to fame.
Few will arrive to make that claim.
Many will fall beside the path;
But all will be faithful to the last.

Though long be the years which lie ahead:
Our school days memories will n'ere be dead.
May we ever be ready to answer His call;
May His light shine brightly upon us all.

Donald E. Currier. Jr, '36.

**VICTOR VASILESKI****"Vic" "Vas"**

6 Ashburton Place

17 years old. Prepared at the Fletcher Grammar School. At Rindge Victor has been a leader since he first entered. He has taken part in about every drama, public speaking contest that has been held. He was president of the Sophomore Class and was elected president of the Senior Class this year. He did not "choose to run" in our Junior Year. He has served on every committee of importance and yet has found time to always be at the head of the class on the honor roll. Victor has not decided on the future but here is one lad that cannot miss being a success. Au Revoir Vic.

JOHN J. JENKS**"Jack"**

891 Massachusetts Avenue

19 years old. Prepared at St. Mary's Parochial School. Fellows like "Jack" assure the school in general and our class in particular of leadership in all school activities. Jack was elected vice-president of our class showing that we appreciate a real leader. Homeroom Representative, '33; Safety Patrol, '33; Year Book, '36; Football Night, '35; Senior Drama, '36; Senior Ring, '36; Senior Reception, '36. "Jack" intends to become a printer. Good luck, "Jack".

THE EDITOR'S PAGE

ANOTHER YEAR IS FAST DRAWING TO A CLOSE

This year of the four that we have spent in Rindge is the most important one, for it brings to a close our stay in this magnificent school.

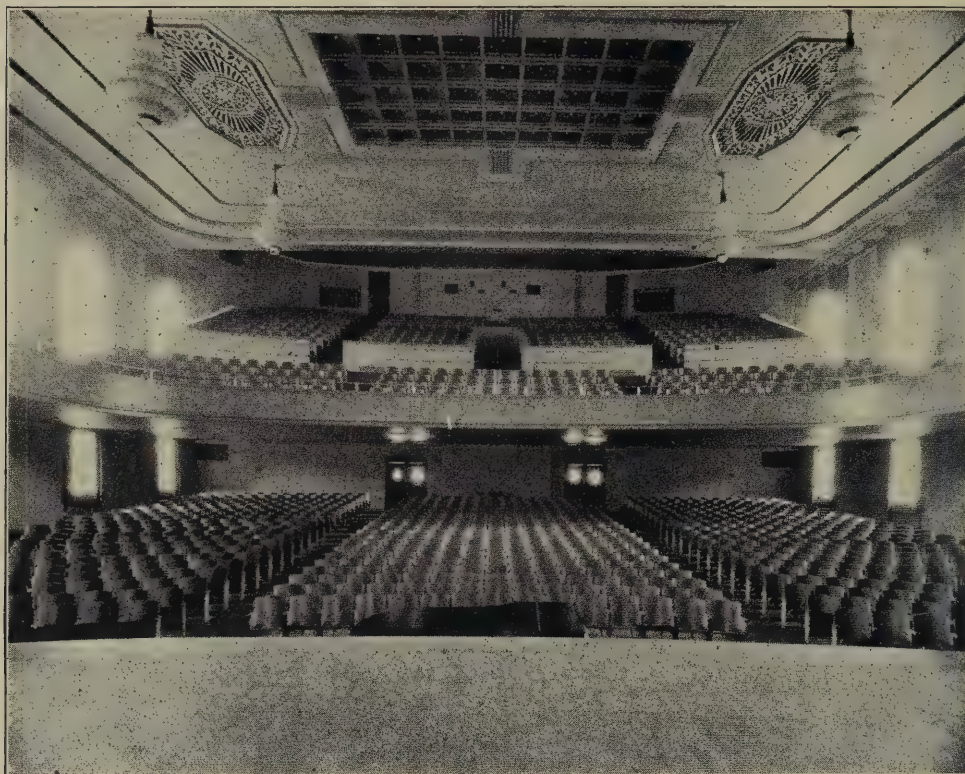

It is, also, the most important year in our lives. From now on we will have to decide many things

for ourselves; we will no longer have the protecting care of the beloved teachers of this school. Some of us will apply for admission to other schools where we will further our education; some of us will endeavor to become proficient in the field of mechanics, and some of us will no doubt become great business men. In all, our four years have been eventful ones—a full measure of work has been meted out and pleasures, funs, and frolics will echo in our minds again and again through the years to come.

We are going out into a world where it will be quite difficult for us to make a place for ourselves. However, if we try, there is no reason in this world why we will not succeed. We are deeply grateful to this school for the strong foundation it has given us to make great men of ourselves.

In this book we, the staff have endeavored to record the greater things of these memorable months. Perhaps we have been successful—perhaps we have failed—but, at least, we have done our best, and so it is with pride and not apologies that we present this Brownie to you, the class of "36". We hope that in future years, as you scan its pages, it will afford you much pleasure, and recall many happy incidents that occurred here in our school.

MR. WILLIAM H. MAHONEY

THIS GENTLEMAN FOR MANY YEARS has been the friend and advisor of graduating senior classes. He has proved himself the hardest worker and the best supporter of these classes. The success of our various functions have been largely due to his untiring efforts in our behalf, both in the way of gaining privileges for us and encouraging us to do our part. Only through his tireless efforts has the publication of this book been realized.

Due to his thoughtful advice concerning our difficulties during these two years, we have succeeded, both as a Junior and as a Senior Class. We the class of '36, whole heartedly take this opportunity to thank him for his services to us, and to wish long life and much happiness.

CUT IN LINOLEUM BY JOHN ANANIS

HISTORY OF THE 1936 SENIOR CLASS

OUR FRESHMAN YEAR

THE MARCH OF TIME reveals the passing from the old school to the New. Never will we forget the eventful day when we entered the portals of the Rindge Technical High School, although we did resent a little the branded name of "frosh," and being considered "infants" in the eyes of upper-classmen.

The time has arrived when we must renew old memories of attending the Harvard, Felton, and Longfellow Schools, until it was possible for the boys to enter a new and modernly equipped building. Do you recall the day of February 21, 1933, when all classes of the Rindge School assembled at the Longfellow School Auditorium to bid good-bye? In lines of four the students marched happily to the new school, where they were addressed by various speakers and wished the best of luck. At first, it was very confusing in this newly constructed masterpiece, as it was difficult to operate the combination of the lockers, and, most of all, becoming lost in the ever-winding corridors. Never will the Freshmen forget the eventful day of entering the new Rindge, as they were the first to enter the new building, and now graduate this year, '36, as Seniors.

Through the helpfulness and guidance of our teachers, the Freshmen owe their success to Mr. Wendall F. Fogg, Mr. Martin L. Tierney, Mr. Timothy J. Ryan, Mr. Wilfred J. Metivier, and Miss Jane O. Mosher.

We must remember the eleven Freshmen of our Football Squad, namely, W. E. Brennan, half-back; J. Close, end; F. J. Eliot, half-back; P. L. Galvin, half-back; W. Jackson, end; A. G. Lynch, end; J. Maloney, half-back; A. Payberam, tackle; A. Perry, back-field; A. Poserycki, back-field; G. Thomas, guard. Of the eleven players, only Perry and Maloney remain at Rindge to graduate, and have proved successful in football.

In case you might have forgotten, John Nagel was the '36 Freshman Editor. Victor Vasileski headed the Freshman four-quarters of the honor roll with an average percentage of 88.3. Rindge's standing in the Suburban League: Won, 1; lost, 1; tied, 1; points, 3. In the Thanksgiving Story Contest, the third prize was received by Freshman F. Perkins.

With the thoughts of final examinations at ease, the Freshmen said farewell to their school-mates, with joyful thoughts of vacation in mind, for they knew that they still had three years awaiting them at the new Rindge building, which is without doubt, the best technical school in the state.

JOHN JENKS.

OUR SOPHOMORE YEAR

We make our way to Rindge for the second year of our high-school career. The first honor roll showed Victor Vasileski in the lead with an average of 87.5. The Rindge football team had a splendid season that year beating Cambridge

... HISTORY OF THE 1936 SENIOR CLASS ...

Latin 14-0. Anthony Perry and Johnny Maloney, only substitutes then, did their part in helping the success of the team. Rindge and Somerville battled to a scoreless tie in their annual clash.

The Rindge basketball team opened up the Lassman Gym with a victory over Winthrop. This game was followed by many other victories for the Rindge quintet.

Among the distinguished visitors that came to Rindge that year were Edward Franko Goldman, noted band and orchestra leader, who arrived on January 23, 1934. About two weeks later Chief Crazy Bull gave us the honor of his presence.

The Rindge Hockey team had a successful season that year. The main causes of it's success were: "Tom" Collins, George Derosier and "Bud" Kramer.

The P. G's, Seniors and Juniors had chosen their class officers and now the time came for the Sophomores to elect their leaders. The results of the elections showed the following victorious: President, Victor Vasileski; Vice-President, S. J. Anderson; Secretary, Rocci Papalio; Treasurer, A. G. Beardsley. The newly elected officers began their series of meetings to perfect their plans for the Sophomore "Hop."

And so after years at our beloved school, we left in June for a short rest, eagerly awaiting the next two years.

W. A. MORSE.

OUR JUNIOR YEAR

After two years of earnest preparation as Freshmen and Sophomores we at last realized our dreams had come true and we became full fledged upper-classmen. We began our Junior year in September, 1934, with a greater confidence in ourselves. We now felt that our conception of school life had changed to a more serious nature, that our class spirit had been cultivated and raised to a higher standard, that we individually have made every effort to work in harmony with the greater interests of the class and school.

We were resolved to be still more active, of greater service and to give more loyal support of every worthy cause. We then determined to make the year a success both financially and socially.

We then turned our attention to the election of class officers, who, in our estimation could carry us successfully through the year. After the election was over, those who emerged victorious were as follows: Stanley Anderson, President; Charles Farrell, Vice-President; Robert Flaherty, Treasurer; and William Morse, Secretary. Our first venture into socials was the Junior Prom. The Prom. was held on May 17, in the Rindge Cafeteria, under the auspices and able assistance of Mr. Mahoney, Stanley Anderson, Charles Farrell, William Morse, Robert Flaherty, Harold Slade, John McDonald, Alfred Ferrante, Edward Gallant, William Latady, Allan Beardsley, Edward DeMont, Albert Ryder, Charles Cremens and John Madjewski.

This year the Junior Class contributed much to the field of literature. Among those on the Register Staff were Charles Farrell, artist; Allan Beardsley and Thomas Fortier, sports editors; Donald Currier, general news editor; while Jack Hines was

exchange editor. In the Cronicle Essay Contest, Robert Shackford won honorable mention for his story "Courage." Donald Currier also won honorable mention for his story in the Christmas Story Contest. Also upon the Football Night Committee, which was held December, 1934, we were represented by Stanley Anderson and Charles Farrell.

Once again in the field of sports we were represented by a great number of stars on the athletic teams. On the Football Team we placed Jefferson, Maloney and Perry, who played wonderful and inspiring football all during the season. At the close of the season "Tony" Perry was selected to lead the team of 1935 on the gridiron. Numbered among the different plays throughout the year, our presence was made known. William Lieser, Victor Vasileski and Charles Farrell were stand-out performers in the Safety Patrol play, "Remote Control". Although our number was scarce on the Basketball Team we had a star in Perry, who inspired the team to victory, especially over our arch rival, Cambridge Latin.

Also in the hockey world we had George Desrosier (later elected captain), who played regular since his Freshman year; Arthur Parquette, John Harvell and Tom Collins were also burning up the league. During this year Rindge enjoyed one of its most successful years. In the annual Senior Drama, that was by far one of the best ever produced by the school, two thespians of our class played interesting parts, they were William Lieser and Victor Vasileski.

Baseball once more rolled around, and starring on the diamond were W. Grant, J. Iappini, J. Maloney and P. Dussault. In one of the most thrilling games of the year, Maloney, the pitcher for Rindge, defeated Somerville High, State Champions, in one of the most brilliantly fought games that has ever been played at Russell Field.

The season came to a climax as the Senior Class handed down their responsibilities and traditions. We then started on our vacation looking forward to the beginning of a new year.

HENRY McLEAN.

OUR SENIOR YEAR

At last it was 1935! Up to the door we rushed, pulled it open, and then raced through the corridors to be met by the breathless greetings of our fellow classmates. It would be the last year for most of us and whether we relized it or not it would go by fast. After a few weeks in school we were organized, and the first thing we did was to elect our class officers. Those to come out victorious were: for President, Victor Vaseleski; Vice-President, John Jenks; Secretary, William A. Morse; and for Treasurer, Robert Flaherty.

The football season opened with a tough schedule. The team didn't turn out to be a championship team like that of '35, but it carried with it the good old Rindge spirit. "Johnny" Maloney being the most outstanding player, and the best player in the city as far as high school football was concerned. He received a beautiful loving cup from the Cambridge American Legion for his ability. Other Seniors on

... HISTORY OF THE 1936 SENIOR CLASS ...

the team were: Captain "Tony" Perry, Charles Cremens, "Ray" Karpinski, Warren Grant, Francis Jefferson, Clarence Duffet and John Whelan. On December 13, we presented our second annual Football Night. Three beautiful girls from Latin School helped make the night a success. They were Shirley Frimm, Agnes Linsky and Ann McGowan. Mr. Joseph Little's harmonica ensemble took a prominent part.

The Hockey and Basketball Teams showed their ability to upset the other teams in the league. Seniors on the hockey team were: Captain Desrosier, "Johnny" Maloney, "Rip" Collins, "Chuck" Harvel, "Ray" Denault, George McCoy and Foster Reynolds, Seniors on the Basketball Team were: "Tony" Perry, "Johnny" Maloney, Pappas, Duffet and McCarthy.

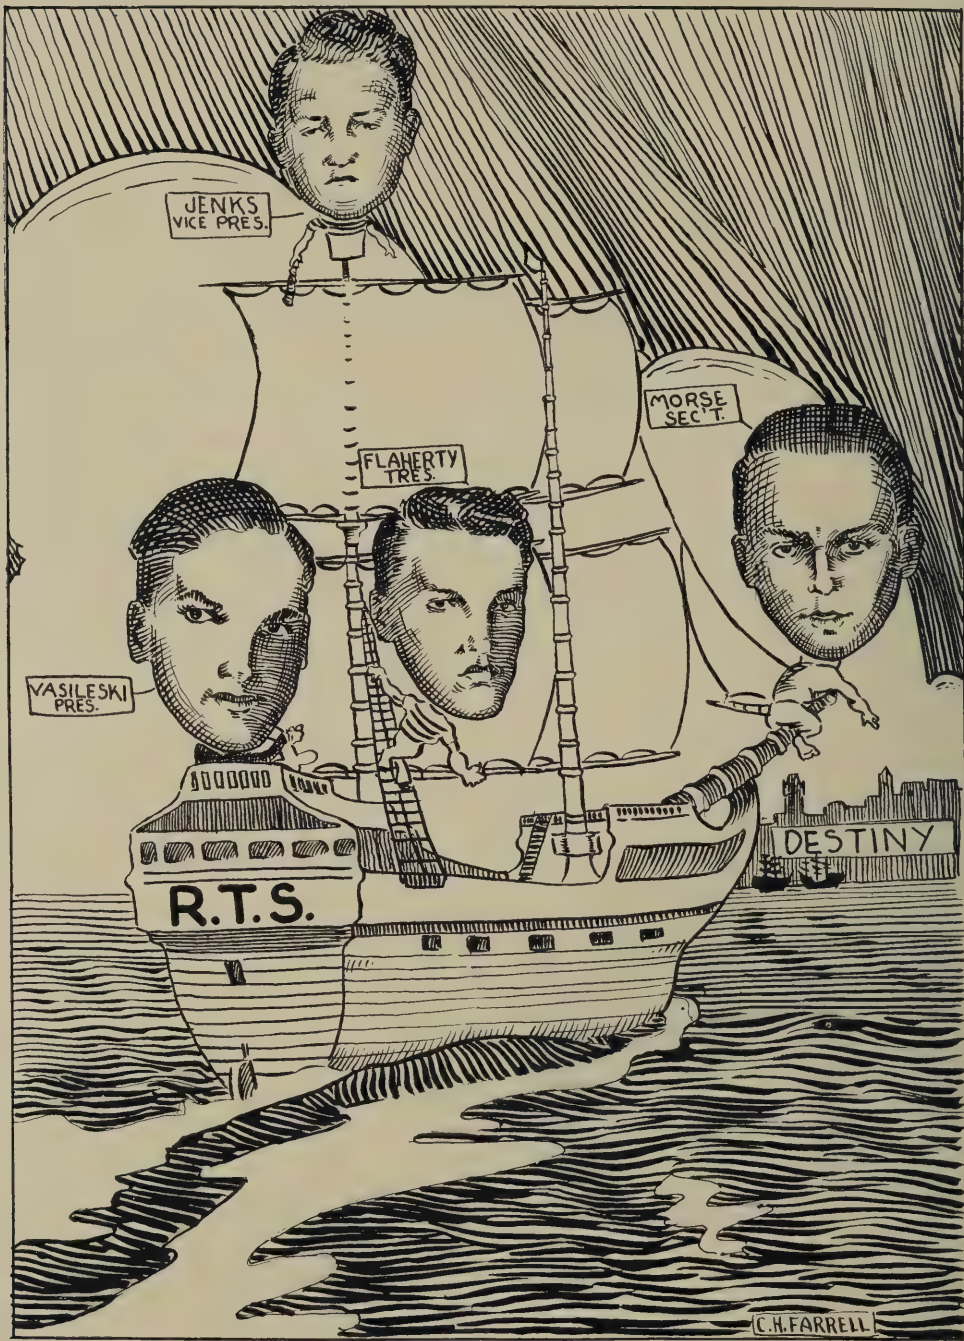

The Senior Drama was a famous production, "The Seven Keys to Ballpate." It proved to be a financial success but not as good as in the past years. Seniors in the production were: Walter Nowosielski, William Leiser, Thomas Gray, Donald Poole and Louis Dorfman.

The Baseball Team stayed right on top of the league, this being caused by good coaching and playing. Seniors on this team were: "Johnny" Maloney, "Ray" Karpinski, John Iappini, Captain Edmund Dussault and Theodore Szymaszek.

This year a group of seniors brought a new idea to Rindge. This was known as "Rindge Follies". Financially the show was perfect and the audience went away well pleased. The contestants to receive prizes were: Donald Sweeney, a freshman, who took first prize. Second prize was awarded to a clever little dancer and singer from Latin School, Miss Alice Simoneau. Third prize was awarded to Alfred Dumont and Richard Foster, two famous tumblers.

On June 10, we graduated making a picturesque sight, in our blue and whites. Our last meeting together came at the Senior Prom held at the Walker Memorial.

WARDEN COUGHLIN INTERVIEWED BY CAMBRIDGE REPORTER

In an interview of Warden Coughlin of Sing Sing by the star reporter of the "Register", Don. Currier, Coughlin said that his football team had a fine season having won no games while losing ten. He also said that his star players were; Charlie Cremens, Mugsie (Clarence) Duffett, and Tiger Galvin, all having gained much yardage for the team. Head linesman, Totsie Ferrante, also gained many yards for the boys. Coughlin went further to say that Ray Denault came in second in a cross-country race last week, losing to state trooper Graves. Denault promises to do better the next break he gets as his ball and chain slowed him down this time.

THE SENIORS OF 1936 pay just tribute to our school paper; The Register as it know completes its very succesful year with the slogan; "If it happened at Rindge you'll see it in the Register."

With the kind cooperation of our faculty advisors and the efficiency of our senior staff, our Register has attained recognition by those who are in a position to judge, as the most successful paper of its kind. Its helpful articles equipped us with a better knowledge and understanding of what was going on around us; its athletic reports acquainted with the activities of our excellent teams, and its jokes delighted us with their originality and their humor.

We all have diligently saved a set of the Registers from our senior year, and as time will dim our memories of this phase of our lives, we will always refresh our minas with the fondest recollections of the most eventful year, of our Register.

This year, the Register Staff has dedicated their eleventh and final issue to the 50th Volume of Rindge Registers. By this, it has endeavored to give a vivid picture of some of the events in the history of our school and paper. In February 1892 the first volume was published and since then the paper has progressed in many forms and very irregular so that they have published the 50th volume. However, in 1920, the paper settled down to its present form and has appeared regularly ever since.

. . . T. Francis Mullen . . .

WITH THE SUDDEN PASSING OF THE LATE T. FRANCIS MULLEN, the boys of Rindge lost a truly great friend. Mr. Mullen was born in Cambridge in the year 1904. His early education was obtained here. He graduated from Boston College in 1927. After graduating from Boston College, he won a competitive scholarship for Notre Dame where he did graduate work in education.

An outstanding scholar himself, he had the gift of imparting knowledge to his students. He was appointed a teacher of English and Journalism in 1932 and was a faithful and devoted teacher until his untimely death during the last summer vacation. His influence at Rindge will long be remembered by his students and members of the faculty.

. . . George Ernest Davison . . .

GEORGE ERNEST DAVISON was born in Brookline, May 6, 1887. He graduated from the Malden High School and entered Mass. State College, leaving there to enter business with his father.

In 1918, Mr. Davison came to Rindge Technical School to teach Pattern Making and Foundry later taking classes in Building. His ability in this work resulted in a request from the State Board of Education to co-operate with two other teachers in compiling a course in wood working.

Popularity is not, by any means, a sure test of a teachers' merit, but in Mr. Davison's case, it was a recognition by the student body not only of attractive qualities of personality but of all that the man stood for in the daily life of the school. It was part of his code to become personally acquainted with each member of his classes, and to many of his boys his interest was not only that of a teacher but a father. His chastisements were of the kindly sort that made a boy thoroughly ashamed and repentant. Added to this he was a genius for teaching, so that even the elementary drudgery was made interesting.

In addition to his school work he was deeply interested in poetry and music; at one time having been an accomplished violinist and member of an orchestra.

Perhaps his attitude toward his pupils and the qualities of the man may be best understood in the following words written by him in the "highly prized" 1934 Year Book of a graduate.

"Always a gentleman. A student from the first day he came into the school. He'll get there, too, for he knows, and he knows he knows. I admire his confidence."

Last Will and Testament of the Class of 1936

Know all men by these presents;

That we, the class of 1936 of the Rindge Technical School in the city of Cambridge, county of Middlesex and the state of Massachusetts, being in full possession of all our faculties, now do solemnly construct and draw up this, our last will and testament, and declare all other wills to be void and without the power to tend legal action.

We unhesitatingly and duly appoint Mr. William Mahoney as executor of this our will, as the said Mr. Mahoney is skilled in the art of executing not only "wills" but even the minds and bodies of his subjects. We the class of 1936, trust that these requests will be earnestly and faithfully carried out.

FIRST: To our successors, the class of 1937, we warn you to watch out and don't trip over the incoming freshman, class of 1940.

SECOND: To the '37 ers, we leave the honor of being the "big boys" of the school.

THIRD: To the class of '37, we have left unbreakable bottles for use in the cafeteria.

FOURTH: To Mr. Berkeley we leave all the steam which we had to get in order to graduate.

FIFTH: To Mr Freni we leave the Key of B, the Key of C and any three notes in the key of G.

SIXTH: To the class of '37 we leave the right to talk back to the teachers. We also leave a number of bruises and broken limbs which we received trying to do the same.

SEVENTH: We leave enough ladders so the freshmen may look into the top part of their lockers once in a while.

EIGHTH: To the Sophomores, we leave the final plugging necessary to pass the final exams to become a Junior.

NINTH: To the Juniors we leave all pleasing suspense for the future social year. Many were the embarrassing situations we found facing us on many social occasions.

TENTH: We leave to the student body, in general, fifty bright new shiny steel chains with which to chain the plugs of the wash basins in the toilet rooms.

ELEVENTH: We bequest to these ambitious decorators of the corridor walls five gross of nice new erasers with which to clean up all their handiwork.

TWELFTH: We also bequest to the succeeding class one of the duties left to us namely the duty of installing the new organ due us, when and if, said object comes to Rindge.

THIRTEENTH: To the whole student body, we bequeath one lifetime subscription to the Register. (Don't hurt your shins crowding to get it).

FOURTEENTH: We leave to the library a dozen locks to secure firmly the books to prevent students from absent mindly walking off with them.

FIFTHTEENTH: To the class of '37 we bequeath the dignity and superlative personality of our most worthy class of eccentric teck-nicians and scholars.

SIXTEENTH: To the Sophomores, we bequeath all the plaudits for the great performance of their Christmas play.

SEVENTEENTH; To the freshmaniacs we bequeath the sum of one dollar and fifty cents (1.50) to aid in the establishment of information directories for the wandering freshmen.

EIGHTEENTH: To all the studious boys wishing to really study in the study hall we leave one pair of ear muffs for said persons to enjoy peace and quiet.

NINTEENTH: To the cafeteria, we leave a small fund to be used to improve the quality and quantity of the food now served there. Table service excluded, we leave that to the boys of the S.P.C.A. (Safety Patrol Cleaning Association.)

TWENTIETH: For the auditorium period we bequest another fund to be used for the purchase offifteen (15) gross of coughdrops to be used during the winter semester to quiet the afflicted boys.

TWENTY-FIRST: The bequest of two million (2,000,000) rubles shall be used to buy two sets of books, "Table Manners." and "Etiquette." These said books shall be distributed among the classes in order to maintain order in both the cafeteria and auditorium.

TWENTY-SECOND: Lastly we leave all those things not yet discovered; all the great things that we have accomplished; our excellent reputation; our deep sorrow for all our successors; all our petty worries, troubles debts, and the excruciating pleasure of preserving our dear memory.

Realizing that we quickly approach the tenth of June in the year of Our Lord one thousand nine hundred and thirty six, at the Rindge Technical School of Cambridge, Massachusetts, we wish these directions be executed immediately and with the greatest of concern.

With trembling hand, we attach our most noble signature.

THE RINDGE CAMERA CLUB

(PHOTOGRAPHERS FOR THE RINDGE BROWNIE)

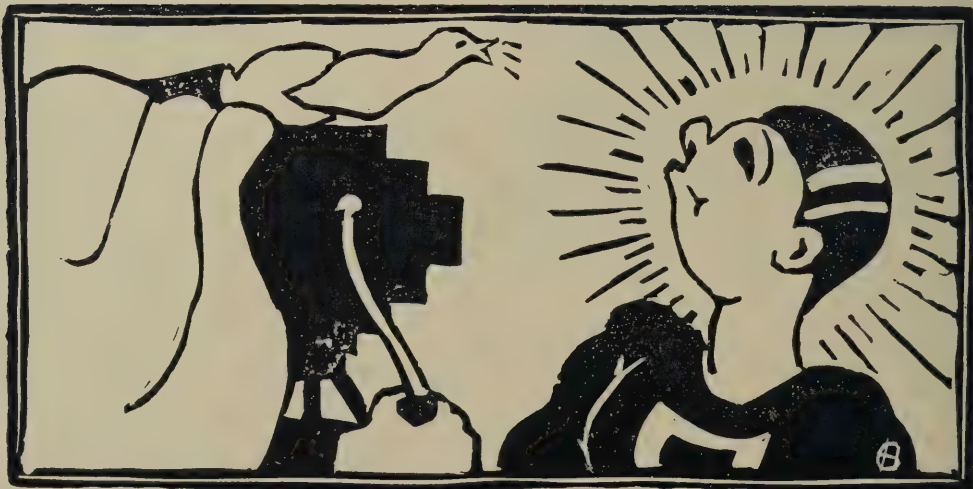

ONE OF THE NUMEROUS but most important clubs since the building of the new school, is the Camera Club. Under the able leadership of Mr. Peter J. Cassidy the club has been very successful. Through him the club has accomplished many useful things for the school in general.

At the beginning of the year Mr. Peter J. Cassidy issues a call to all amateur photographers or boys interested in photography. A group is formed and besides learning things about taking pictures, they find enjoyment in helping the school whenever possible.

Each year the club undertakes a job which proves their ability and usefulness. This task is photographing pictures of all seniors and P. G.s for the Year Book. All other pictures such as groups of hockey, football, basketball, and committees are taken by them.

The class of 36 realizes all of the extra work and hours spent by Mr. Cassidy and members of the club and wishes to thank them for helping to make this year a success. And in leaving we know that the Camera Club will continue to be one of the highlights of Rindge.

MR. WILFRED J. METIVIER

COACH "MITCH" METIVIER is a popular figure about the school. He has put his best into the coaching of the Rindge Football Team. Although the team is not the champion, it is not the loser. The team fights for the glory of the school, and every game that it participates in we find enthusiasm that is hard to beat.

Mr. Metivier, in addition to his fine coaching tactics and training of the players, is a friend to all of them. He was also a football star in his younger days. His friendship with the "boys" will be greatly valued as time passes on.

1936 FOOTBALL TEAM

THIS YEAR'S FOOTBALL TEAM displayed a fighting spirit which few Rindge teams have ever beaten. Going into every game tremendously outweighed and playing against experienced boys, they gave all they had.

They were defeated in the opening game 13—0 by a powerful Waltham team. In the next game, they were smothered by a Gardner team which out weighted them twenty pounds to a man. Rindge defeated Brookline 13—6. Then in the annual classic with Cambridge Latin, Rindge edged through to a 6—0 victory. Then they lost to Newton 15—7, to Lowell 18—0, and to Winthrop 20—6,

Then came the great Thanksgiving Day game with Somerville. Because of Rindge's poor record, Somerville was favored to beat them by a large score. The game see-sawed back and forth first one side leading then the other. Somerville finally won by the scant margin of 13-12.

This was a great moral victory for Rindge. The game was featured by punting and running of Johnny "Bam" Maloney, by several long dashes by Capt. Tony Perry, the excellently timed passes from Al Baniewicz to Charlie Mahoney, and the superb blocking, tackling, and place kicking by Frank Jefferson.

MR. THOMAS E. SMITH

No coaching staff is complete unless it has amongst its members a man who in the darkest moment of a football campaign can always see the bright side of life. Mr. Smith is such a man. He never allowed the members of his team to be down-hearted no matter how poorly the "breaks" were going. His ready smile, his contagious, happy spirit helped the team's morale ----- this can never be doubted. We the Senior Class of 1936 wish for Mr. Smith many years of continued success here at his and our beloved Alma Mater.

Back Row : T. NOON, C. CUMMINGS, R. POWERS, F. POWERS, R. DENAULT, E. SOUZA (*Mgr.*).

Second Row : MR. HENRY C. LYNCH (*Faculty Mgr.*), W. QUIMBY, J. PLADZIEWICZ, M. KING, F. REYNOLDS, J. WHELPLEY, MR. JAMES F. FOLEY (*Coach*).

Front Row : J. MALONEY, A. DUMOND, T. COLLINS, G. DESROSIER (Capt.), J. HARVELL, C. MAHONEY, G. MCCOY.

Seated on Floor : R. LANGE, R. CHIPMAN.

THE CLASS OF 1936 takes with it practically all the first squad of hockey players:

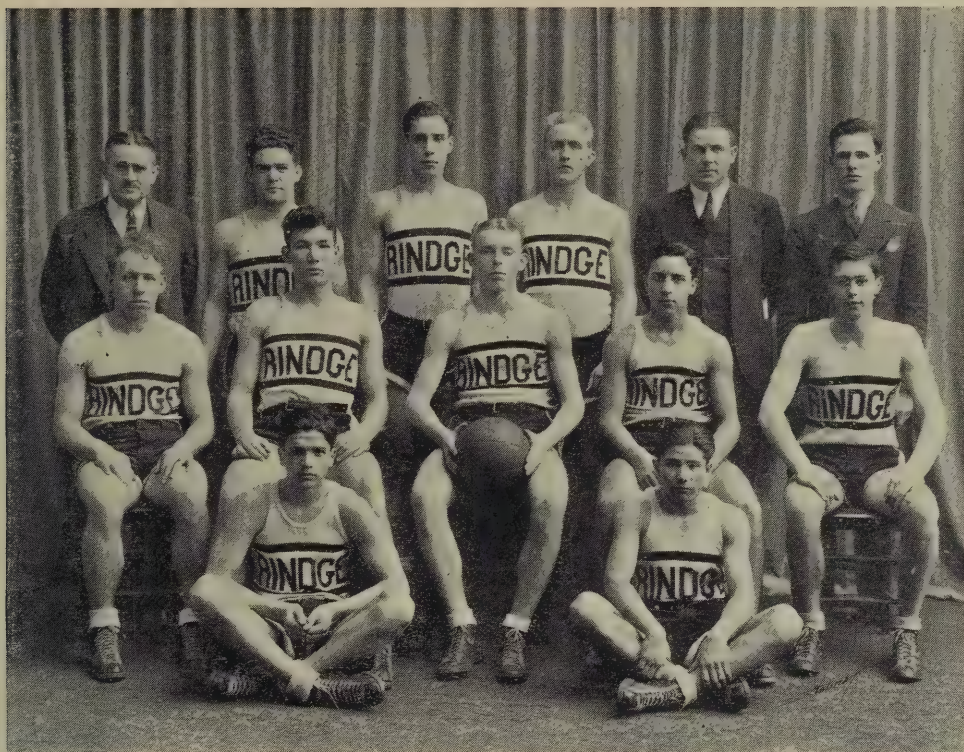

George Desrosier Captain and right wing was the outstanding player. He was picked to represent Rindge on the All Interscholastic team.

Tom Collins and John Harvell formed a defence that was difficult to get through or around.

In the goal the ever reliable "Bam" Maloney performed. By the end of the season "Bam" had developed into one of the league's best goalies.

Other Seniors who saw service and were awarded letters were : George McCoy a goalie, W. Quimby a goalie, M. King, Ray Denault defence, F. Reynolds, R. Chipman T. Noon forwards.

Alfred (Fishy) Dumond was elected captain of next years team unanimously and we of the Senior Class wish for Capt. Dumond and Coach Mahoney a successful season.

Back Row : MR. HENRY C. LYNCH (Fac. Mgr.), J. MALONEY, E. PACHECO, J. MCCARTHY, MR. THOMAS MURPHY (Coach), R. WALSH (Mgr.)
Front Row : T. PERRY, A. BANIEWICZ, J. MUNRO, (Capt.), T. MEDIEROS, F. DUEST
Seated on Floor : F. PAGLIERANI, H. CIAMPI

HIS YEAR OUR TEAM had a fairly successful season, having won five out of the twelve games played. Four games were lost by but a few points.

During the major portion of the schedule, the Rindge hoopsters seemed "jinxed" in that they alternated every win with a loss.

Our boys, under the fine coaching of Mr. Murphy, exhibited a good brand of basketball throughout the season. Perhaps lack of experience was the chief fault as there were only two veterans on the team.

The second defeat by Somerville crushed all hopes of a Tech Tournament bid. After beating the undefeated Newton five, a win over C. H. L. S. in our return game would have caused a triple tie for the Suburban League Championship. However, after a very hard fought game, Rindge lost 23 - 14, thus giving C. H. L. S. the Suburban League and City championship.

The team, ably captained by John Munro, was as follows: A. Perry, A. Baniewicz, F. Duest, J. Menez, Q. Paglierani, E. Pacheco, J. McCarthy, H. Ciampi, J. Maloney. Only three members of the team, Perry, Maloney and McCarthy, are lost by graduation.

The position of manager was held by Raymond Walsh.

Back Row (Left to Right):— COACH JOHN CURRY, T. JEFFERSON, F. DUEST, A. BANIEWICZ, J. PLADZIEWICZ, J. IAPPINI, J. SHERIDAN, R. KOLLEN.

Middle Row (Left to Right):— C. WOLEJKO, A. SCULLY, A. TOTOGRADE, R. LOUD, J. MALONEY, R. POWERS, R. KARPINSKI, R. SZAMPOLINSKI.

Front Row (Left to Right):— W. DEDRICK, J. CULLINANE, W. BERG, J. METIVIER, P. KLOKMAN.

GREAT ENTHUSIASM AND OPTIMISM marks the splendid attempt of our baseball team to reach the coveted goal of scholastic baseball, the championship of the Suburban League. Unheralded at the start, the Rindge team with the courage that knows no defeat has astounded schoolboy critics of sport, as it sweeps team after team from its path. Standing alone at the top with two-thirds of the baseball season completed, the team, at this writing, has a glorious chance to achieve success.

Under the capable leadership of Ed Dussault, whose big bat has shown the way in every game, the spirit to win rides high. Johnny Maloney, Rindge's greatest athlete of recent years, John Iappini, right field; Ray Karpinski, catch; Roman Szampolinski, first base; Francis Jefferson, right field; J. Cullinane, catch; P. Comeau, pitch; R. Chipman handles all signals; these are the members of our class that are carrying Rindge to a penant as our book goes to press. In his first year as coach Mr. Curry has done a remarkable job with an inexperienced team so much so that his coaching is the topic of conversation of the school-boy sports world.

MR. JOHN R. CURRY

BASEBALL COACH

Our new baseball coach has proven to the sports world in no uncertain manner that he is an efficient, capable athletic coach. With material that seemed only fair as the season opened Coach Curry has his team in first place in the Suburban League as our book goes to press. The spirit displayed by the boys is one of the outstanding characteristics that has placed them at the top of the league. The Senior Class wishes Mr. Curry many years of continued success.

MR. THOMAS J. MURPHY

BASKET-BALL COACH

Rindge for quite a few years has been represented on the basketball court by outstanding teams. Year after year our team was picked as a representative for this section for the Tech Tournament. Some of the credit of course must be laid at the door of the boys themselves because of natural ability but by far and in large the success of the teams must be placed at the door of the coach Mr. Thomas Murphy.

We the Senior Class hope that he may reign for a long time as the guiding sport of Rindge's basketball destiny.

1936 TRACK TEAM

COACH DUFFY has a formidable schedule arranged. Thus far the team has met Winthrop, Jamaica Plain, Revere and has entered the Interscholastic at Harvard and the State meet at Newton. The team has yet to meet Belmont and our arch rival C.H.L.S. The team has done extremely well considering its youth and inexperience but in a year or two Rindge will be up among the leaders.

Seniors on the team are; Karchmazeski, Thorne, and Reynolds.

MR. THOMAS P. DUFFY

TRACK COACH

MR. DUFFY WAS APPOINTED this year to coach Rindge. Instead of the combined track team of Rindge and C. H. L. S. of a year ago, each school has a team of its own. Mr. Duffy has arranged an impressive schedule and, with his knowledge, spirit and enthusiasm behind our boys, we feel certain that Rindge will attain a prominent place in the track world.

MR. HENRY C. LYNCH

FACULTY MANAGER

WE FEEL THAT BUT FOR HIS SUPREME EFFORTS, as faculty manager of our sports in keeping athletics not only at a high standard, but keeping them financially sound, year after year, that Rindge would have been forced to abandon sports entirely. He disrupted his home-life, and stayed hours after school, night after night, in order that he might sell tickets to the loyal Rindge rooters.

IN THE MANTLE OF THE DAWN

TUNE: "Till We Meet Again"

IN THE MANTLE of the dawn,
While the birds sing forth the morn,
Down beneath the sky so blue
Stands old Rindge so firm and true;
There she stands for truth and right,
Sending forth her rays of light
Clad in robes of majesty
Rindge, we sing of thee!

BE THOU OUR guide and stay
Leading us from day to day:
Make us true and brave and strong
Ever firm to battle wrong:
When from thee we're gone away
May we strive for thee each day
As we sail life's restless sea
Rindge, we sing of thee!

VERSES BY EDMUND E. POWERS

VERSES BY EDMUND E. POWERS

MUSIC BY JOHN B. WHORISKEY

RINDGE: thou glorious mother,
Loyal sons thy praises sing
To thee, as to no other,
Gratefully their homage bring

To express our devotion
Now our voices rise;
True in vict'ry's hour,
Faithful in defeat,
Rindge, our Alma Mater
Hail! Rindge to thee.

RINDGE! Tis hard to sunder
Ties that chain our thoughts to thee
Words that swell like thunder
Testify our loyalty.

We will always treasure
Memories of you.
Old ties e're renewing
Ev'ry year returning
Rindge, our Alma Mater
Hail! Rindge, to Thee!

RINDGE'S WARRIORS

TUNE: "Men of Our America"

ALL HAIL to Rindge's warrior's
Long may they reign supreme
A husky bunch of warriors,
And they'll sure clean up your team
Out on the field of conflict
They bow to no team's skill
And like the men of might they are
They fight with right good will:

OUR COLORS are the Brown and White
We never haul them down
The Brown stands for the "roast"
we give
Our opponents when in town.
And as the tide of battle sweeps
Their team right off the field
Don't forget the Brown and White
Whose word is never yield

CHORUS

Then give a hearty cheer for Rindge—Rah! Rah!
May she never taste defeat
We'll never say "die" but
Up men and try for the Glory of old Rindge.

MUSICAL ORGANIZATIONS

THE RINDGE ORCHESTRA

DURING OUR FOUR YEARS AT RINDGE the orchestra under the able direction of Mr. Joseph Freni has been an out standing organization. Many of our seniors events held in the auditorium have been added to greatly by the fine performances of the orchestra. We the Class of '37 wish to thank Mr. Freni and the members of the orchestra for their assistance to our class.

THE RINDGE BAND

WITH A SET OF DISCARDED TRUMPETS AND TROMBONES donated by The Cambridge Rotary Club, the Rindge Band was organized in 1932 under the capable direction of Mr. Joseph Freni.

Since 1932 the band has rapidly improved and enlarged into a concert band of 51 pieces. It now consists of 12 trumpets, 10 clarinets, 8 saxophones, 5 horns, 5 trombones, 6 basses, 2 baritones and 6 drums.

During the past year the band has been very active in appearing at many socials. A few were, a Y. M. C. A. banquet, a Y. W. C. A. party, 6 football games, Parent Teachers Meeting and Music Club's night.

The band is a prominent part of our school life. and may its growth be a quick and lusty one.

“SEVEN KEYS TO BALDPATE”

THE 1936 RINDGE SOCIAL REGISTER'S most important item — the Senior Drama — is a thing of the past. Everyone present acclaimed the play as one of the finest that could have been selected. The acting by the Rindge players was pronounced by various critics as superb. No better actors are found than those Rindge students that take part in our Senior Dramas.

We were fortunate in obtaining a play such as “Seven Keys to Baldpate.” This play, composed by Mr. Cohan, from the novel by Earl Derr Biggers, was, after a successful run on Broadway and in every large American city, made into a moving picture with Richard Dix in the role of William Hallowell Magee, novelist. Rindge Thespians produced this play six years ago, and presented it at Brattle Hall.

The action of the play takes place in mid-winter at Baldpate Inn. A young novelist, William Hallowell Magee, is under the impression that there is only one key to the deserted inn; when he is admitted by the caretaker and his wife. He feels that this is the one spot in the world where he, according to the terms of a wager, will be able to write a 20,000 word story in twenty-four hours. However, this is not to be, for he is rudely awoken to the fact that this inn is the meeting place of many mysterious people. A crooked politician and his henchmen, a railroad president and his ally, a hermit, a blackmailer, two charming ladies, an efficient but somewhat bewildered police chief, and the man who made the wager with Magee, all go to make up a most surprising plot of an amazing and fantastic tale. The ending is so out of the ordinary, and it creates such surprise and astonishment that I will forbear from telling it here, that I may not spoil anyone's enjoyment who will see the play at a future date.

Each boy had a difficult part, but, after weeks and weeks of strenuous rehearsing, he characterized it with remarkable understanding, thus enabling the Senior Class of 1936 to present a splendid performance. Many people say that they would be willing to place our amateur players against those of any other high school.

The Senior Class of '36 expresses its gratitude to all persons who had a part in the success of the Drama.

Many years from now, as we open to the preceding page and glance over the cast of characters, memories will come crowding back; we will live over again the night of our Senior Drama.

"RINDGE FOLLIES"

ON FRIDAY EVENING, MAY 1, the Senior Class presented the Rindge Follies, a show made up of local high school talent. This show was put on before an audience of one thousand people and was a demonstration of the spirit of the Rindge students. The Follies featured Mr. William Mahoney as master of ceremonies who headed a bill of talented actors.

A new novelty was introduced in this show, namely the giving of prizes for the best acts. The winners were Don Sweeny, first prize; Alice Semeneau, second prize, and Foster and Dumond, third prize. The show was a success, both financially and socially, and the immense proceeds were turned over to the Senior Class for the graduation fund. The Follies were originated by Ted Coughlin, Henry McLean and John Jenks but guided to success by Mr. W. Mahoney and Mr. Edward Sullivan. Senior participants were Frank Dennehy, James Toomey, Bothwell Dunkle and Thomas Gray. We hope that it will become a regular class activity and be one of Rindge's outstanding social events.

... FOOTBALL NIGHT ...

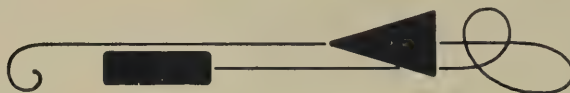

ON FRIDAY, DECEMBER 13, 1935, Rindge presented its second annual Football Night sponsored by the Senior Class. The evening's activities were opened by Eddie French of the Junior Class. Eddie, who crooned several popular numbers and accompanied himself on the tiple, was received enthusiastically by all who were present. Herbert Lee, and Lawrence "Taps" Ward both made very graceful presentations in their particular line of stage work, tap-dancing.

The program next turned to Dan Kelly, Mass. Boxing Commissioner. The next speaker was George H. "Bulger" Lowe Lafayette All - American End. Then we listened to Al McCoy, the coach of Northeastern, and Austen Lake, featured sports writer for the Boston American. All speakers gave interesting deliveries of their own football experiences. "Sav", of the Herald-Traveler, entertained the audience with some of his well-known cartoons.

The program turned back to our own talent. We saw some fancy flipping presented by members of our gym classes. The Borden Brothers once again displayed their acrobatic talents before a Rindge audience. Shirley Frim, Agnes Linsky, and Ann McGowan, from Latin, sang gorgeous arrangements of several popular melodies. Mr. Little's harmonica ensemble, under the supervision of Charles McGowan, did a fine job with a football medley and several popular tunes. McKenna, McCarthy, Dennehy, and Saunders, "toppled off" the evening's entertainment with a comical wrestling match that was really comical.

Football Night was a success both socially and financially.

After the performance in the auditorium dancing was enjoyed in the Al Lassman Gym. Music for dancing was furnished by Henry Chambers, the "Club Carlton Orchestra."

1936 JUNIOR PROMENADE

ON FRIDAY, APRIL 24, the class of '37 held the annual Junior Prom. In the past few years the dance was held in the school but this year they chose the Cantabrigian Club located in Harvard Square. If this class keeps up their good spirit in helping to put a show or dance over like they did this prom, they are sure to have a perfect Senior year. Although their expenses were high the dance was a financial success.

The committee consisted of Walter Chaulk, President, Walter Dypko Vice President, Joseph Mello Secretary, Robert Macklin Treasurer, W. Nolan, D. Darrah, W. Martin and J. McKenna.

Invited guests were; Mr. Wood, Mr. Curry and Mr. Haugh.

1936 SENIOR PROMENADE

ON JUNE 11TH OUR SENIOR PROM will be held at Walker Memorial. The usual grandeur connected with this occasion will again show to our friends that Rindge students are proud to be listed among the graduates of this noble institution.

The Junior officers will assist Mr. Mahoney with the actual running of the affair as this night is one of enjoyment unconfined for Seniors.

Mr. and Mrs. John W. Wood, Mr. and Mrs. James F. Conlin, Mr. and Mrs. Francis T. McCabe, Mr. and Mrs. Henry C. Lynch, Mr. and Mrs. Charles A. Linehan, Mr. and Mrs. Edward A. Sullivan, Mr. and Mrs. John Y. Murray, Mr. and Mrs. Raymond A. Darcy, Mr. John J. Garvey, Miss Pike, Miss Ford, Miss Cassidy and Miss Mosher compose the list of patrons and patronesses that will grace the occasion.

The mayor and the members of the school committee are expected to attend.

A VOTE OF THANKS

EACH YEAR THE SENIOR CLASS is indebted to members of our faculty for the valuable assistance they lend to aid in the completion of our year book. Without this valuable assistance our year book would not come into being. Hence the Senior Class wishes to express its profound gratitude to the following members of the faculty:

To Mr. Henry C. Richert for his unselfishness and sacrifice in the giving of his time and advice to be certain that the art work connected with this volume would be a success.

To Mr. Peter Cassidy for the splendid work the Camera Club did under his supervision. This gentleman spared neither his time or energy for us.

To the Rindge Register for the cooperation and financial assistance rendered to our class.

We the Senior Class of 1936 will never forget these men.

RINDGE RADIO CLUB

THIS CLUB WAS ORGANIZED by Mr. Morash at the beginning of the school year in 1934. Since then it has become an outstanding feature of the school. Last year, the club worked hard to obtain a license for transmission. They received this license from the Federal Communication Commission which is located in Washington, D. C.. Unfortunately the license was granted too late to be of much value that year. This year the members of the club have had the pleasant and interesting experience of being present at actual broadcasts.

The call letters for the station, which is located in our school, are W1JDR.

CAMPING CLUB

THIS CLUB IS NOW TWO YEARS OLD since its reorganization by Mr. Bockmann. The main idea of the club is to give boys an opportunity to be out of doors.

Mr. Bockmann's greatest hope is that some day they will have a lot of land in this county as they had many years past, to be used by the boys for camping trips.

The Seniors have already shown their interest by taking over night trips to the Blue Hills Reservation and out to Wachusetts, Mass.

One great difficulty the club runs against is transportation which has to be supplied voluntarily by the teachers and by outsiders.

459' ERS

THE FIRST HOME ROOM ORGANIZATION in the new Rindge School was organized by the members of 1936 who were assigned to home room 459. In line with Headmaster Wood's suggestion, the 459'ers organized in September, 1934, in order that the members might get to know one another better. Under the supervision of Mr. James F. Manning, their home room teacher, the 459'ers elected John J. Fitzgerald, president and Donald R. Poole, Treasurer. The members of the class of 1936 who are 459'ers are, Fred J. Elliot, John J. Fitzgerald, John W. Ford, Francis R. Holmes, Francis D. Mahoney, Richard J. McNamara, Harry E. Nasman, John A. Palancio, Donald R. Poole, and John Whelan. The 459'ers have contributed to the school welfare fund and sold more tickets for all Rindge affairs than any other home room.

The remaining members of our organizations have very interesting futures. We have two maestros, Fred Elliott and John Fitzgerald. They played in the school orchestra and already have a position, a band of their own.

Francis Holmes is our "Lone Eagle." He is well on his way in the aviation course and may be seen alone in the clouds in the future.

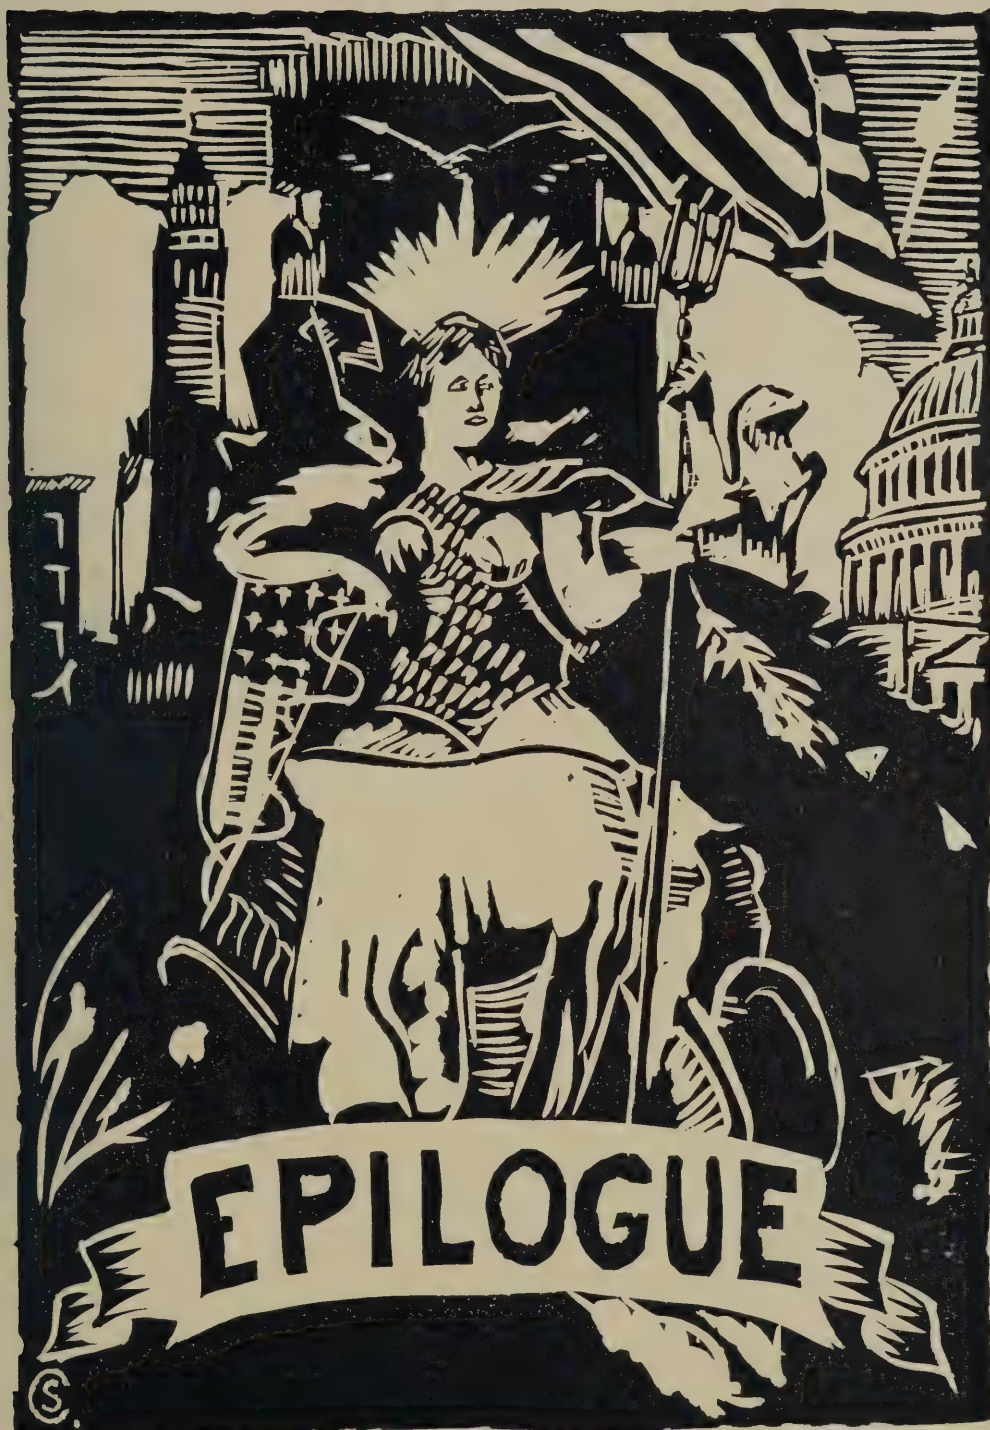

John Palancio, is the only printing course representative of the organization and he expects to follow printing in the future.

John Whelan, one of the best of our electricians, is our 459 football star. He has been on the football team in '34, '35, '36.

John Ford, Francis Mahoney, Richard McNamara, Fred Elliot, Donald Poole, John Fitzgerald, and John Whelan also are electricians.

Donald Poole, not only our treasurer, but ranks well out near the top of the Senior Honor Roll and has been on various committees of the Senior Class.

Our class has been well organized and we the class, hope that Mr. Manning will continue the 459 organization with his incoming class this next year.

... EPILOGUE ...

OUR WORK IS DONE and we hope we have done it fittingly. But our limitations are manifold and our best but poorly expresses the love we cherish for our beloved school. Our memories will be with us always and here we merely indicate the paths through which our thoughts will readily carry us as the years deepen the joys that reminiscences will renew.
